SITUATION

Major Hurricane Dorian, the fourth named storm of the 2019 Atlantic Hurricane Season, impacted the Northern islands of the Commonwealth of The Bahamas from Sunday September 1 to Tuesday September 3, 2019 for approximately 68 hours. Hurricane Dorian devastated Abaco, Grand Bahama and the surrounding Cays, with the southern eye-wall remaining “stationary” for approximately 36 hours over Grand Bahama. At the peak of strength, sustained winds increased to 185 mph and gusts up to 220 mph. The estimated rainfall was 12-15 inches and storm surge, 18-23 feet above sea level.

CARIBBEAN DISASTER EMERGENCY MANAGEMENT AGENCY (CDEMA) ACTIONS 
(as at September 21, 2019)

- Two (2) CARICOM Operational Support Team (COST) personnel were deployed on Sunday September 15th, 2019, to provide assistance to the EOC on Abaco. An additional two (2) COST members were deployed to Grand Bahama on September 17th, 2019 to support EOC operations there. These operations will continue until Saturday September 28th 2019.

- CDEMA assisted NEMA to draft a conceptual framework for recovery planning for The Bahamas. The framework was presented to the Prime Minister and other officials for their consideration, over the weekend September 14-15, 2019.

- Further to a request from the NEOC in Nassau, Bahamas, a detailed damage sector assessment (DDSA) team was deployed to Abaco on September 18, 2019. The team is comprised of specialists from the following sectors: agriculture, health, education, tourism, housing, debris and waste management. The team has concluded its field assessment and is preparing its report.

- The next Caribbean Development Partners Group - Disaster Management (CDPG DM) meeting is scheduled to be held on Monday, September 23, 2019.

- To date, the CDEMA Regional Coordination Centre has prepared and disseminated sixteen (16) Situation Reports on Hurricane Dorian.

- Information updates may be viewed on CDEMA’s website www.cdema.org.

Please see below a summary of the CDEMA deployments to The Bahamas supported by UK Government:

</tbody>
</table>
| Caribbean Agricultural Research and Development Institute (CARDI) | • Provided a specialist to serve on the detailed damage sector assessment team on Abaco.  
• Drafting of Concept Notes to support resource mobilization. |
| Caribbean Centre for Renewable Energy and Energy Efficiency (CCREEE) | • Pledged support for restoration of power |
| Caribbean Electricity Utility Services Corporation (CARILEC) | • Pledged support for restoration of electricity |
| Caribbean Association of Fire Chiefs (CAFC) | • Search and Rescue Teams |
| Caribbean Public Health Agency (CARPHA) | • Provided a specialist for the DDSA team on Abaco  
• Provided support to the RNAT (WASH expert)  
• Will be on stand-by to provide technical support re: vector control, food borne diseases, health and food safety guidelines and risk communication |
| Caribbean Disaster Emergency Management Agency (CDEMA) | • Two (2) technical personnel for Rapid Needs Assessment Team (RNAT) - expertise in Disaster Risk Management (Lead) and Logistics  
• Personnel to support early recovery planning and EOC management in Abaco, Nassau and Grand Bahama. |
| Caribbean Development Bank (CDB) | • Disbursed USD$200,000 Emergency Response Grant to NEMA, The Bahamas |
| Caribbean Institute of Meteorology and Hydrology (CIMH) | • Provided initial special weather interpretation of the current and forecasted tropical weather affecting the Caribbean Region for CDEMA’s operation planning |
| Regional Security System (RSS) | • Deployed an advance party of two (2) persons on September 18, 2019  
• The 1st wave of 18 Police Officers arrived in Nassau on September 21, 2019. 2nd wave of 18 officers is scheduled to arrive on September 23, 2019. The contingent of 36 police officers originate from all 7 RSS Member States.  
• Pledged support to conduct reconnaissance and damage assessment missions, if necessary. |
| University of the West Indies (UWI) | • Psycho-social support; medical assistance in triaging and care of victims and evacuees; shelter support; 500 hours of support from an Inter-Disciplinary Technical Recovery Advisory Team in areas of  
a) Engineering – civil, structural, coastal/marine, flood management engineering; land management; recovery planning team and governance design; population and displacement; climate modelling for design and decision making; gender and climate change; ecosystem services; alternative energy; DRM and Resilience programming |
List of actions being undertaken by RRM Partners from Sept 5, 2019

**COORDINATION**

DFID UK
- Deployed a surge team to assist inter-agency coordination

ECHO
- Activated the European Civil Protection Mechanism and Emergency Mapping Services

Global Affairs Canada
- Supported mapping, GIS services, disaster and needs assessments and EOC operations

FAO
- Will deployed two (2) sector experts (fisheries and livestock) to support the Ministry of Agriculture with assessments in Grand Bahama on September 19, 2019 and Abaco on September 20, 2019.

IFRC
- Providing continuous coordination with CDEMA and NEMA; 2 Bahamas Red Cross volunteers joined RNAT in Abaco and Grand Bahama
- IFRC team to set up base camp and warehouse in Abaco and will conduct needs assessment and distribution
- Disaster Management Coordinator based in Port of Spain (Trinidad and Tobago), Guadeloupe, Panama, Nassau.
- Contact established with UNDP to establish livelihoods recovery coordination group
- Livelihoods questions for sector-integrated survey questionnaire to collective shelters developed

IOM
- Conducting DTM assessments - displaced persons, including in emergency shelters
- Deployed Emergency Coordinator

Rescue Global
- Provided a team of 4 Liaison Officers (LO) and Pathfinders (PF)

PAHO
- Coordinating meetings of the Ministry of Health (MoH) and Public Health Authority with the Dutch Army
- Collaboration with MoH to disseminate key messages on vector and water borne diseases

UNOCHA
- Sent a team to support CDEMA and NEMA in information management, coordination, advocacy and humanitarian financing; supporting a small UNDAC team

UNDP
- Providing support in debris removal, waste management and strategic communications to the Ministry of Environment & Housing
- Providing support to the Ministry of Public Works to conduct a building damage assessment using BDA online tool
- Distributed emergency relief supplies - generators; water pumps; bottled water; emergency water purification systems; emergency water holding devices; water filters; chlorination equipment and supplies; temporary sanitary disposal systems; vector control equipment and supplies; temporary shelter e.g. tents, tarpaulins; roofing materials for emergency shelters and community buildings
**List of actions being undertaken by RRM Partners from Sept 5, 2019**

**COORDINATION**

**UNDP**
- Covered transportation costs - fuel for aerial and marine surveys associated with impact assessments; external and internal transportation of emergency relief supplies; external transportation of humanitarian supplies and distribution within the country.
- Provided humanitarian supplies such as cots, blankets and food supplies for direct humanitarian assistance.
- The following experts are on stand by: Post Disaster Needs Assessment facilitator, Recovery planning, Early recovery expert, Debris Management Specialists, Assessments and data: Post Disaster Needs Assessment facilitator.
- Emergency employment and Cash for Work Programme - to be mobilised.
- Exploring the possibility of mobilisation of experts to support CDEMA with the Caribbean Recovery Facility (Early stages of discussion)

**UNICEF**
- HR: 1 Emergency Manager deployed for coordination and programme support; 2 Communication experts; 1 photographer, 1 Admin assistant.

**WFP**
- WFP supporting NEMA/CDEMA in logistics supply chain coordination. WFP co-leads the ESFs for Transportation, Telecommunications, Relief Supplies/Distribution and Food Security.

**CARPHA**
- Supporting RNAT with health and environmental health; public health and shelter surveillance; post disaster vector control assessment and laboratory surveillance support. Provided a specialist for the DDSA team on Abaco.

**IFRC**
- Distribution of key public health message planning in Abaco tomorrow, September 20, 2019.
- Red Cross is providing psychosocial support in coordination with Bahamas Psychological Association. A total of 101 persons have been supported.

**NYC Medics**
- Conducting EMT Type 1; health and facility assessment in North, Central and South Eleuthra.

**PAHO**
- Working in health sector infrastructure and public health.
- Surveillance team is coordinating action plan for disease prevention with MoH.

**Samaritans Purse**
- Has deployed an EMT Type 2 field hospital to Grand Bahama.

**Team Rubicon USA**
- Has an EMT Type 1 mobile hospital in Abaco.

**UNFPA**
- Secured Surge Specialists in Sexual and Reproductive Health and RH emergency kits to support the implementation of the Minimum Initial Service Package for SRH in emergencies.
List of actions being undertaken by RRM Partners from Sept 5, 2019

LOGISTICS

IFRC
• Field Coordinator and the Bahamas Red Cross coordinated with local Administrator to allocate warehousing and local company for fork lift support to ensure offloading of 500 HH shipment of shelter and NFI kits.
• 500HH shipment arrived and 80% was offloaded. Two (2) flatbed trucks loaded to be sent to High Rock Mclean and Freetown
• Planning for distributions for September 20, 2019 at Murphy Town for 25 households, assessments at Full Gospel Church (51 families) and at another church close by that hosts Haitian families

IOM
• In the process of distributing non-food items (NFIs)
• Finding shelter solutions for Internally Displaced Persons for the purpose of relocation.

Global Affairs Canada
• On 15 September, the Canadian Armed Forces (CAF) C-130 aircraft will assist the IFRC with transporting its base camp to Abaco island
• Transported Jamaica Defence Force into The Bahamas by C-130
• Provided one airport specialist for rapid needs assessment

UK DFID
• RFA Mounts Bay utilized helicopters and landing craft to distribute equipment and supplies during the period of deployment
• British Forces from the MNTS have also supported body recovery, helped set up temporary morgue and distributed 60 additional body bags

USAID/OFDA
• On September 11, DoD delivered two ambulances and medical supplies to Grand Bahama’s Freeport city on behalf of the GoB Ministry of Health (MoH) to support the Rand Memorial Hospital, as well as more than 6 MTs of WASH commodities—including hygiene kits, water bladders, and generators—from Nassau to Marsh Harbour for the nongovernmental organization (NGO) Water Mission.
• Overall, DoD had conducted about 60 flights, transporting approximately 250 humanitarian personnel and 120 MT of relief commodities between Nassau and storm-affected islands, as of September 11.
• In addition to coordinating with DoD to provide logistics services for humanitarian actors, USAID/OFDA recently contributed more than $1 million to support WFP logistics and emergency telecommunications operations in affected areas of The Bahamas. Total USAID support toward WFP’s Limited Emergency Operation for Hurricane Dorian in The Bahamas amounts to more than $2 million, or nearly 40 percent of $5.4 million appeal.

WFP
• WFP has established a logistics hub at Marsh Harbour port with 3 Mobile Storage Units (MSUs), prefabricated offices, generators, and VSAT communication capacities. An additional MSU has been erected at the airport and on 18 September, WFP will expand NEMA storage capacity in Nassau with an MSU. WFP is also providing warehouse management and trucking capacities in Abaco as a common service to the government and humanitarian partners.
• WFP will continue to support NEMA and CDEMA to lead and guide the overall response, while also ensuring common logistics services are available for UN and NGO partners working to support the national-led relief and recovery efforts, including warehousing management, handling equipment, storage solutions, trucking, and shipping capacities to ensure predict-able transport and delivery services.
• The third WFP-chartered vessel completed its voyage deliver-ing WFP cargo, transport assets and additional relief items from IFRC and Samaritan’s Purse in Marsh Harbour, Abaco and Freeport, Grand Bahama. A fourth WFP-chartered vessel is scheduled to depart Nassau on 19 September.
List of actions being undertaken by RRM Partners from Sept 5, 2019

FINANCING

ECHO
• Pledged €500,000 from the Acute Large Emergency Response Tool (ALERT) to respond to the first needs caused by the Hurricane Dorian in the Bahamas. The priority sectors to be covered by the funding are: shelter and household items, water, sanitation and hygiene (WASH), livelihoods and basic needs.

Global Affairs Canada
• CAD$500,000 in emergency assistance being channeled through the Canadian Red Cross to support emergency shelter and relief items.

IFRC
• The cash surge team is developing an implementation strategy for the Basic Need multipurpose cash transfer to balance speed of delivery with quality programming.

SWISS Government
• Allocated 500,000 Swiss Francs to IFRC and 200,000 to WFP

UK DFID
• Support currently approved for deployment of CDEMA Response Teams of up to £150,000

UNDP
• Secured USD$200,000 for coordination of assessments and early recovery efforts

UNOCHA
• UN Central Emergency Response Fund will provide an immediate US$ 1 million for urgent life saving activities

USAID/OFDA
• To date, the U.S. Government (USG) has provided nearly $10.2 million to meet emergency needs resulting from Hurricane Dorian in The Bahamas. USAID contributed an additional $3.8 million for emergency response activities.

TELECOMMUNICATIONS & IT

CARPHA
• Providing Risk Communications assistance

MAPACTION
• Working in information management, maps and visualizations

NetHope
• Establishing Broadband satellite Internet access for coordination and humanitarian workers in New Providence, Abaco and Grand Bahama. Open WIFI for responders and the affected population
• Providing broadband satellite Internet access for coordination and humanitarian workers. Open WIFI for responders and the affected populations in New Providence, Abaco and Grand Bahamas

Telecoms Sans Frontieres
• Providing BGANS for coordination and humanitarian workers and providing humanitarian free calling operations

WFP
• Establishing VSAT communications across the affected areas, and is working closely with the NEMA Emergency Support Function (ESF) on Communications.
• In collaboration with CDEMA, WFP is communicating with the Mobile Network Operators BTC and ALIV, to fill gaps as the operators are restoring networks.
• WFP has been leading the ETS and continues to provide Coordination, Information Management, and shared Internet services in the affected areas.
List of actions being undertaken by RRM Partners from Sept 5, 2019

**SHELTER & NFI**

**IFRC**
- Distributed 58 complete shelter and WASH kits in Grand Bahama
- Deployed team to assist with sheltering
- Aid for 400 families were shipped to Abaco
- Conducted assessment of shelter conditions in New Providence
- Distributed 1,200 Shelter toolkits (1 per family) - 1,200 households; 4,100 blankets (4 per family) - 1,025 households, 500 kitchen sets (1 per family) to 500 households; 800 tarpaulins (2 per family) - 400 households all in New Providence Bahamas Red Cross Warehouse
- Plans to move extra stock of NFI for 600 households to Abaco and 500 households to Grand Bahama
- IFRC items are stored in a WFP Mobile Storage Unit
- Assessment on shelters ongoing

**IOM**
- Mobilising and distributing non-food items (NFIs) including 1000 tarpaulins, solar lights, jerry-cans, hygiene kits etc; developing a strategy and coordinating housing repairs; assessing the needs of displaced persons and identifying shelter solutions; deployed and emergency coordinator
- Developing strategy and coordinating housing repairs

**Mercy Corps**
- Distribution of solar lanterns with USB chargers for phones

**ShelterBox**
- Assessing unmet emergency household Shelter need, initially on Abaco, possibly Grand Bahama

**UK DFID**
- Distributed over 990 shelter kits

**UNDP**
- UNDP continues to support with the Building and Damage Assessment.
- Additional support will be provided towards the revision of building code and guidelines and subsequent translation into Creole

**UNHCR**
- Conducting needs assessment

**UNFPA**
- Supporting the RNAT and PDNA in health and shelter assessments

**EDUCATION**

**UNICEF**
- Establishing a School Registration system for 10,000 displaced children in New Providence and providing Psychosocial Support - Return to Happiness Training of Trainers for 250 participants.
- Supporting the Government of The Bahamas to register students in schools, building up a secure central data management system to facilitate school registration until mid-October.
- HR: 2 Education expert deployed for coordination and programme support.
CARPHA
• Providing RNAT support

UK DFID/UK Military
• The Royal Fleet Auxiliary (RFA) Mounts Bay supported operations in north Abaco. The vessel is supplied potable water to this area.
• Distributed 987 hygiene kits and nearly 100 tonnes of water

Kingdom of the Netherlands
• The Dutch marine vessel arrived on Wednesday September 11, 2019. The vessel has the capacity to produce one hundred and fifty thousand (150,000) liters of potable water daily

IFRC
• Distributed 1,800 jerrycans (2 per family) - 900 households; 1,800 jerrycans (2 per family) - 900 households; 900 hygiene kits (1 per family) - 900 households in New Providence Bahamas Red Cross Warehouse.
• Surge alert for WASH hydrogeologist profile issued.
• Surge WASH delegate deploying to Grand Bahama to support distributions (bottled water, hygiene kits, buckets, jerry cans), volunteer training and recruitment, and assessments in communities in Freeport and east Grand Bahama (High Rock- McLean’s Town), focused on smaller-scale water supply and sanitation systems.
• Coordination with Adka Laboratories in Nassau. Instrument loaned to BRC for water quality field testing for conductivity and TDS.
• Continued coordination with WASH sector partners in Grand Bahama and Abaca to ensure coordinated response and inform plan of action.

ISRAID
• Deploying personnel for WASH infrastructure, water treatment and distribution

Mercy Corps
• Distribution of collapsible jerry-cans, chlorine tablets, water and hygiene kits

PAHO
• Provided personnel to support assessments

Samaritans Purse
• Providing 2 reverse osmosis units and distribute collapsible jerry-cans

UNFPA
• Has 1250 hygiene kits prepositioned in Barbados and Antigua

UNICEF
• Distributing water containers, chlorine/ph pool tester kits, water purification tabs and 500L water tanks.
• Coordination this sector with Government counterparts

World Hope International
• Has established Water Points at Marsh Harbour and Green Turtle Bay
PROTECTION

CARICOM IMPACS
• Providing immigration support in event of displacement

UNDP
• Providing a gender and recovery personnel

UNFPA
• A team of 3 personnel arrived in Nassau on Sunday September 8, 2019 to conduct an assessment in Grand Bahama Island, Abaco Island and New Providence Island to inform actions required under the GBV area of responsibility and under ESF8, i.e. Sexual and Reproductive Health. Long-term GBV and SRH deployment on stand-by.
• 1,450 dignity kits arrived in Nassau on 12 Sept 2019 from Panama; will be distributed in shelters on 13 Sept 2019, 1-250 hygiene kits prepositioned: Barbados (250) and Antigua (1-000); Reproductive Health Kits to be delivered on request.

UNICEF
• Providing 200 emergency recreation kits
• Providing documentation & provisional Child Protection services to 1,200 children in shelters in New Providence

UNHCR
• Conducting needs assessments at shelter

UN Women
• Working with the Department of Gender and Family Affairs to produce and disseminate life saving information to displaced persons
• Working with the Caribbean Alliance of Psychology Associations to develop a Psychosocial intervention programme for displaced persons
• Supporting the Department of Gender with technical assistance around leading a gender responsive emergency and recovery response and to be able to guide and support other members of the team in this regard. (Gender Alerts)

AGRICULTURE

FAO
• Currently undertaking assessments in forestry and fisheries sectors
List of actions being undertaken by RRM Partners from Sept 5, 2019

**FOOD & NUTRITION**

**CARPHA**
- Providing post flooding food safety guidance

**Hands for Hunger (national NGO)**
- Offered to assist with distribution of food

**UK DFID**
- Distributed 3000 ration packs

**USAID/OFDA**
- Partnered with The Bahamas Red Cross Society (BRCS) to distribute relief commodities across Abaco on September 7
- With support from Food for Peace (FFP) and the UN World Food Program (WFP) procured and transported approximately 14,000 individual ready-to-eat meals from Miami, Florida, to The Bahamas on September 6, 2019 and began distribution in Abaco on September 8, 2019

**WFP**
- WFP has delivered 13,800 MREs to over 3,600 people to communities in 15 settlements in Abaco Island, with the support of Samaritan’s Purse and the Bahamas Red Cross.
- WFP is working with NEMA and other humanitarian groups to ensure that in addition to addressing immediate food needs, long-term food security and protection mechanisms are in place through further needs assessments.
- WFP is being tasked with providing coordination support, information management services, strategic guidance on the transitioning from the provision of immediate food relief to ensuring food security (including via cash assistance), and technical assistance on streamlining ongoing food distribution plans in support of the Government-led response.

**WHI**
- Provided five aquifer 360, 3000 water containers, 3 generators, 1500 onion tanks. Additional water supplies shall be provided as needed.

**EARLY RECOVERY & INFRASTRUCTURE**

**IFRC**
- Performed assessments on Abaco Island and Grand Bahama (Health, WASH, Shelter, Restoring Family Links)

**UK DFID/UK Military**
- Provided support for opening up of infrastructure.
- Assisting with the rehabilitation of route clearing in North and Central Abaco

**UNDP**
- Deployed a team of five (5) persons to participate in the recovery efforts
- Has several experts on standby in PDNA, recovery planning, early recovery, as well as debris and waste management.
- Household and building damage assessment online tool (HBDA) adjusted for rapid assessments; supporting the Ministry of Public Works with automation of their damage assessment tool.
- Specialist has been engaged to support the Government with developing comprehensive waste and debris management strategy and action plan. Plan will address both short term and long term debris and waste management needs. Specialist will be deployed within a week.
- Teams on the ground are working to partner with other entities including the Swiss Development Cooperation with debris and waste management efforts.
