It’s important that you be prepared for emergencies and possible disasters. Natural or human caused disasters can strike suddenly at any time and anywhere.

Get involved. Make a plan. Join other members of your community to get prepared.

You never know how many people your action will affect and how many lives you might save.

My house could possibly be affected by the following severe events:

- Flood
- Earthquake
- Sea surge
- Landslide
- Industrial accident
- Hurricane
- Volcano
- Sea surge
- Tsunami
- Landslide
- Bush/forest fire

If I stay at home, I will do the following to protect my home and myself from disaster:

- Flood: I will install sandbags and other flood barriers.
- Bush forest fire: I will clear dry bush from around the house to prevent fire from spreading.
- Earthquake: I will secure large objects which can fall and injure family members.

The following documents are safely secured in a known location:
