18.4 Standards for workmanship, process, material, and equipment, as well as references to brand names or catalogue numbers specified by the Purchaser in the Schedule of Requirements, are intended to be descriptive only and not restrictive. The Bidder may offer other standards of quality, brand names, and/or catalogue numbers, provided that it demonstrates, to the Purchaser’s satisfaction, that the substitutions ensure substantial equivalence or are superior to those specified in the Schedule of Requirements.

20.2 In exceptional circumstances, prior to the expiration of the bid validity period, the Purchaser may request bidders to extend the period of validity of their bids. The request and the responses shall be made in writing. If a Bid Security is requested in accordance with ITB Clause 21, it shall also be extended for a corresponding period. A Bidder may refuse the request without forfeiting its Bid Security. A Bidder granting the request shall not be required or permitted to modify its bid, except as provided in ITB Sub-Clause 20.3.

20.3 In the case of fixed price contracts, if the award is delayed by a period exceeding sixty (60) days beyond the expiry of the initial bid validity, the Contract price shall be adjusted as specified in the request for extension. 25. Late Bids

The Bidders’ representatives who are present shall be requested to sign the attendance sheet. A copy of the record shall be distributed to all Bidders who submitted bids in time, and posted online when electronic bidding is permitted.
E. Evaluation and Comparison of Bids

28. Confidentiality

28.1 Information relating to the examination, evaluation, comparison, and post-qualification of bids, and recommendation of contract award, shall not be disclosed to bidders or any other persons not officially concerned with such process until publication of the Contract Award.

28.2 Any effort by a Bidder to influence the Purchaser in the examination, evaluation, comparison, and post-qualification of the bids or contract award decisions may result in the rejection of its Bid.

28.3 Notwithstanding ITB Sub-Clause 28.2, from the time of bid opening to the time of Contract Award, if any Bidder wishes to contact the Purchaser on any matter related to the bidding process, it should do so in writing.

29. Clarification of Bids

29.1 To assist in the examination, evaluation, comparison and post-qualification of the bids, the Purchaser may, at its discretion, ask any Bidder for a clarification of its Bid. Any clarification submitted by a Bidder in respect to its Bid and that is not in response to a request by the Purchaser shall not be considered. The Purchaser’s request for clarification and the response shall be in writing. No change in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Purchaser in the Evaluation of the bids, in accordance with ITB Clause 31.

30. Responsiveness of Bids

30.1 The Purchaser’s determination of a bid’s responsiveness is to be based on the contents of the bid itself.

30.2 A substantially responsive Bid is one that conforms to all the terms, conditions, and specifications of the Bidding Documents without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

(a) affects in any substantial way the scope, quality, or performance of the Goods and Related Services specified in the Contract; or

(b) limits in any substantial way, inconsistent with the Bidding Documents, the Purchaser’s rights or the Bidder’s obligations under the Contract; or

(c) if rectified would unfairly affect the competitive position of other bidders presenting substantially responsive bids.

30.3 If a bid is not substantially responsive to the Bidding Documents, it shall be rejected by the Purchaser and may not subsequently be made responsive by the Bidder by correction of the material deviation, reservation, or omission.

31. Nonconformities, Errors, and Omissions

31.1 Provided that a Bid is substantially responsive, the Purchaser may waive any non-conformities or omissions in the Bid that do not constitute a material deviation.

31.2 Provided that a bid is substantially responsive, the Purchaser may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the Bid. Failure of the Bidder to comply with the request may result in the rejection of its Bid.
31.3 Provided that the Bid is substantially responsive, the Purchaser shall correct arithmetical errors on the following basis:
   (a) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail, and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected;
   (b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail, and the total shall be corrected; and
   (c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

31.4 If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be rejected.

32. Preliminary Examination of Bids
   32.1 The Purchaser shall examine the bids to confirm that all documents and technical documentation requested in ITB Clause 11 have been provided, and to determine the completeness of each document submitted.
   32.2 The Purchaser shall confirm that the following documents and information have been provided in the Bid. If any of these documents or information is missing, the offer shall be rejected.
      (a) Bid Submission Form, in accordance with ITB Sub-Clause 12.1;
      (b) Price Schedules, in accordance with ITB Sub-Clause 12.2;
      (c) Bid Security or Bid Securing Declaration, in accordance with ITB Clause 21, if applicable.

33. Examination of Terms and Conditions; Technical Evaluation
   33.1 The Purchaser shall examine the Bid to confirm that all terms and conditions specified in the GCC and the SCC have been accepted by the Bidder without any material deviation or reservation.

SECTION V. ELIGIBLE COUNTRIES

To ensure the best available resource, funds from CDEMA’s grants and/or CDEMA’s budget funding can be used for the payment of goods, works, non-consulting services and services contracted with firms or individuals from all countries including CDEMA Participating States, and in the case of grants any restrictions on eligibility stated in the Financing Agreement.

Firms of a country or goods manufactured in a country or for the provision of consulting services may be excluded if as a matter of law or official regulation; CDEMA is prohibited from commercial relations with that country, or by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or prohibited by a Donor.

Participating States

1. Anguilla
2. Antigua and Barbuda
3. Bahamas
4. Barbados
5. Belize
6. British Virgin Islands
7. Cayman Islands
8. Dominica
9. Grenada
10. Guyana
11. Haiti
12. Jamaica
13. Montserrat
14. Saint Kitts and Nevis

Nationality and origin of Goods and Services Criteria

These policy provisions make it necessary to establish criteria to determine: a) the nationality of the firms and individuals eligible to bid or participate in a donor-financed contract and b) the country of origin of goods, and services. For these determinations, the following criteria shall be used:

A. Nationality.

(a) An individual is considered to be a national of an eligible country if he or she meets either of the following requirements:

is a citizen of a member country; or has established his/her domicile in a member country as a “bona fide” resident and is legally entitled to work in the country of domicile.

(b) A firm is considered to have the nationality of an eligible country if it meets the following two requirements:

is legally constituted or incorporated under the laws of an eligible country; and

more than fifty percent (50%) of the firm’s capital is owned by individuals or firms from eligible countries.

All members of a JVCA and all subcontractors must meet the nationality criteria set forth above.

B. Origin of Goods.

Goods have their origin in an eligible country if they have been mined, grown, harvested, or produced in a member country in keeping with CDEMA’s eligibility requirements and eligibility stated in the Financing Agreement. A good has been produced when through manufacture, processing or assembly another commercially recognized article results that differ substantially in its basic characteristics, function or purpose of utility from its parts or components.

For a good consisting of several individual components that need to be interconnected (either by the supplier, the purchaser or by a third party) to make the good operative and regardless of the complexity of the interconnection, CDEMA considers that such good is eligible for financing if the assembly of the components took place in a member country, regardless of the origin of the components. When the good is a set of several individual goods that are normally packaged and sold commercially as a single unit, the good is considered to originate in the country where the set was packaged and shipped to the purchaser.

For purpose of origin, the authorized code for procurement of goods and services is 937 (the United States, the recipient country, and developing countries other than advanced developing countries (See list below), but excluding any country that is a prohibited source)\(^1\), as well as all CARICOM countries.

The origin of materials, parts or components of the goods or the nationality of the firm that produces, assembles, distributes or sells the goods, does not determine the origin of the goods.

C. Origin of Services.

The country of origin of services is that of the individual or firm providing the services as determined under the nationality criteria set forth above. These criteria apply to services ancillary to the supply of goods (such as transportation, insurance, erection, assembly, etc.), to construction services and to consulting services.

SECTION VI. PROHIBITED PRACTICES

Prohibited Practices

1. CDEMA requires that all grant beneficiaries as well as all firms, entities and individuals bidding for or participating in a CDEMA financed activity including, inter alia, applicants, bidders, suppliers, contractors, consultants, personnel, sub-contractors, service providers and concessionaires (including their respective officials, employees and agents irrespective of whether the agency is express or implied), adhere to the highest ethical standards, and report to the CDEMA all suspected acts of Prohibited Practices of which they have knowledge or become aware both, during the bidding process and throughout negotiation or execution of a contract. Prohibited Practices include acts of: (i) corrupt practices, (ii) fraudulent practices, (iii) coercive practices, and (iv) collusive practices and (v) obstructive practices. CDEMA has established mechanisms to report allegations of Prohibited Practices. Any allegation shall be submitted to the Executive Director for the appropriate investigation. CDEMA has no sanctions procedures. Donor funding may require CDEMA based on the grant agreement to mutually recognize sanctions imposed by their respective sanctioning bodies.

(a) CDEMA defines, for the purposes of this provision, the terms set forth below:
   (i) A “corrupt practice” which is the offering, giving, receiving, or soliciting, directly or indirectly, anything of value to influence improperly the actions of another party;
   (ii) A “fraudulent practice” is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;
   (iii) A “coercive practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
   (iv) A “collusive practice” is an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party; and
   (v) An “obstructive practice” which is:
      a. deliberately destroying, falsifying, altering or concealing evidence material to the investigation or making false statements to investigators in order to materially impede a CDEMA investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or
      b. acts intended to materially impede the exercise of CDEMA’s inspection and audit rights provided for under paragraph 1 (f) below.

(b) If, in accordance with the Sanctions Procedures of CDEMA, it is determined that at any stage of the procurement or implementation of a contract any firm, entity or individual bidding for or participating in a CDEMA financed activity including, inter alia, applicants, bidders, suppliers, contractors, consultants, personnel, sub-contractors, service providers, concessionaires, Borrowers (including grant Beneficiaries) Executing Agencies or Contracting Agencies (including their respective officials, employees and agents irrespective of whether the agency is express or implied) engaged in a Prohibited Practice CDEMA may:
(i) not finance any proposal to award a contract for works, goods or services, and consulting services;

(ii) suspend disbursement of the operation if it is determined at any stage that an employee, agent or representative of the CDEMA, Executing Agency or Contracting Agency has engaged in a Prohibited Practice;

(iii) not taken the adequate remedial measures (including, inter alia, providing adequate notice to CDEMA upon learning of the Prohibited Practice) within a time period which CDEMA considers reasonable;

(iv) issue the firm, entity or individual a reprimand in the form of a formal letter of censure for its behavior;

(v) declare that a firm, entity, or individual is ineligible, either permanently or for a stated period of time, to (i) be awarded a contract or participate in activities financed by CDEMA; and (ii) be nominated sub-consultant, sub-contractor, supplier or service provider of an otherwise eligible firm being awarded a CDEMA financed contract;

(vi) refer the matter to appropriate law enforcement authorities; and/or

(vii) impose other sanctions that it deems to be appropriate under the circumstances, including the imposition of fines representing reimbursement of CDEMA for costs associated with investigations and proceedings. Such other sanctions may be imposed in addition to or in lieu of the sanctions referred above.

(c) The provisions of sub-paragraphs 1 (b) (i) and (ii) shall also be applicable when such parties have been temporarily suspended from eligibility to be awarded additional contracts pending a final outcome of a sanction proceeding, or otherwise.

(d) The imposition of any action to be taken by CDEMA pursuant to the provisions referred to above will be public.

2. In addition, any firm, entity or individual bidding for or participating in a CDEMA-financed activity including, inter alia, applicants, bidders, suppliers, contractors, consultants, personnel, subcontractors, service providers, concessionaires, Borrowers (including grant Beneficiaries), Executing Agencies or Contracting Agencies (including their respective officers, employees, and agents, irrespective of whether the agency is express or implied) may be subject to sanctions pursuant to agreements that CDEMA may have with other International Financial Institutions (IFIs) regarding the mutual enforcement of debarment decisions. For purposes of this paragraph the term “sanction” shall mean any debarment, conditions on future contracting or any publicly-disclosed action taken in response to a violation of an IFI’s applicable framework for addressing allegations of Prohibited Practices.

(e) CDEMA requires that all applicants’ bidders, suppliers, and their agents, contractors, consultants, personnel, sub-contractors, service providers and concessionaires permit CDEMA to inspect any and all accounts, records and other documents relating to the submission of bids and contract performance as well as to have them audited by auditors appointed by CDEMA. Applicants, bidders, suppliers, and their agents, contractors, consultants, sub-contractors, sub-consultants, service providers and concessionaires shall fully assist CDEMA with its investigation. CDEMA also requires that all applicants, bidders, suppliers, and their agents, contractors, consultants, personnel, sub-contractors, sub-consultants, service providers and concessionaires: (i) maintain all documents and records related to the CDEMA financed activities for seven (7) years after completion of the work contemplated in the relevant contract; and (ii) deliver any document
necessary for the investigation of allegations of Prohibited Practices and make available employees or agents of the applicants, bidders, suppliers and their agents, contractors, consultants, personnel, sub-contractors, sub-consultants, service providers or concessionaires with knowledge of the donor-financed activities to respond to questions from CDEMA personnel or any properly designated investigator, agent, auditor or consultant relating to the investigation. If the applicant, bidder, supplier and its agent, contractor, consultant, personnel, sub-contractor, sub-consultant, service provider or concessionaire fails to cooperate and/or comply with CDEMA’s request, or otherwise obstructs the investigation, CDEMA in its sole discretion, may take appropriate action against the applicant bidder, supplier and its agent, contractor, consultant, personnel, sub-contractor, service provider or concessionaire.

(f) If CDEMA procures goods or services, works or consulting services directly from a specialized agency, all provisions under Section VI regarding sanctions and Prohibited Practices shall apply in their entirety to applicants, bidders, suppliers and their agents, contractors, consultants, personnel, sub-contractors, sub-consultants, service providers, and concessionaires, (including their respective officers, employees, and agents, irrespective of whether the agency is express or implied), or to any other entities that signed contracts with such specialized agency to supply such goods, works, or non-consulting services in connection with the donor-financed activities. CDEMA will retain the right to require the entity to invoke remedies such as contract suspension or termination. Specialized agencies shall consult CDEMA’s list of firms and individuals suspended or debarred. In the event a specialized agency signs a contract or purchase order with a firm or an individual suspended or debarred by CDEMA and CDEMA will not finance the related expenditures and will apply other remedies as appropriate.

3. By submitting bids Bidders represent and warrant:
   (a) that they have read and understood CDEMA’s definition of Prohibited Practices and the sanctions imposed in case Prohibited Practices take place and that they will comply with the rules applicable to those Practices and sanctions;
   (b) that they have not engaged in any Prohibited Practice as set forth herein;
   (c) that they have not misrepresented or concealed any material facts during the procurement or contract negotiation processes or during the performance of the contract;
   (d) that neither they nor their agents, personnel, sub-contractors, sub-consultants, directors, officers or principal shareholders have been declared ineligible to be awarded a contract by CDEMA or by another International Financial Institution (IFI) with which CDEMA may have entered into an agreement for the mutual enforcement of sanctions or have been convicted of an offense involving a Prohibited Practice;
   (e) that none of their directors, officers or principal shareholders has been a director, officer or principal shareholder of any other company or entity that has been declared ineligible to be awarded a contract by CDEMA or by another International Financial Institution (IFI) with which CDEMA may have entered an agreement for the mutual enforcement of sanctions, or has been convicted of a crime involving a Prohibited Practice;
   (f) that all commissions, agents’ fees, facilitating payments or revenue-sharing agreements related to the CDEMA financed activities have been disclosed;
   (g) that they acknowledge that the breach of any of these representations may constitute a basis for the adoption by CDEMA of one or more of the measures set forth in Clause 3.1 (b).

      (b) The terms CIP, FCA, CPT and other similar terms, when used, shall be governed by the rules prescribed in the current edition of Incoterms specified in the SCC and published by the International Chamber of Commerce in Paris, France.

   4.3 **Entire Agreement:** The Contract constitutes the entire agreement between the Purchaser and the Supplier and supersedes all communications, negotiations and agreements (whether written or oral) of the parties with respect thereto made prior to the date of Contract.

   4.4 **Amendment:** No amendment or other variation of the Contract shall be valid unless it is in writing, is dated, expressly refers to the Contract, and is signed by a duly authorized representative of each party thereto.

   4.5 **Nonwaiver**

      (a) Subject to GCC Sub-Clause 4.5(b) below, no relaxation, forbearance, delay, or indulgence by either party in enforcing any of the terms and conditions of the Contract or the granting of time by either party to the other shall prejudice, affect, or restrict the rights of that party under the Contract, neither shall any waiver by either party of any breach of Contract operate as waiver of any subsequent or continuing breach of Contract.

      (b) Any waiver of a party’s rights, powers, or remedies under the Contract must be in writing, dated, and signed by an authorized representative of the party granting such waiver, and must specify the right and the extent to which it is being waived.

   4.6 **Severability:** If any provision or condition of the Contract is prohibited or rendered invalid or unenforceable, such prohibition, invalidity or unenforceability shall not affect the validity or enforceability of any other provisions and conditions of the Contract.

5. **Language**

   5.1 The Contract as well as all correspondence and documents relating to the Contract exchanged by the Supplier and the Purchaser, shall be written in the language specified in the SCC. Supporting documents and printed literature that are part of the Contract may be in another language provided they are accompanied by an accurate translation of the relevant passages in the language specified, in which case, for purposes of interpretation of the Contract, this translation shall govern.
5.2 The Supplier shall bear all costs of translation to the governing language and all risks of the accuracy of such translation, for documents provided by the Supplier.

6. **Joint Venture, Consortium or Association**

6.1 If the Supplier is a joint venture, consortium, or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfillment of the provisions of the Contract and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. 7.1 The Supplier and its Subcontractors shall have the nationality from any country if unless declared ineligible by the Financing agreement or by Donors. Supplier or Subcontractor shall be deemed to have the nationality of a country if it complies with the following requirements:

(a) **An individual** shall be deemed to have the nationality of a country if he or she meets either of the following requirements:

(i) is a citizen of a member country; or

(ii) has established his/her domicile in a member country as a “bona fide” resident and is legally entitled to work in the country of domicile.

(b) **A firm** is considered to have the nationality of a member country if it meets the two following requirements:

(i) is legally constituted or incorporated under the laws of a member country of CDEMA; and

(ii) more than fifty percent (50%) of the firm’s capital is owned by individuals or firms from member countries of CDEMA, Donor funded projects and other eligible countries.

7.2 All members of a JVCA and all subcontractors must meet the nationality criteria set forth above.

7.3 All the Goods and Related Services to be supplied under the Contract and financed by CDEMA shall have their origin in any eligible country. Goods have their origin in an eligible country if they have been mined, grown, harvested, or produced in an eligible country. A good has been produced when through manufacture, processing or assembly another commercially recognized article results that differ substantially in its basic characteristics, function or purpose of utility from its parts or components. For a good consisting of several individual components that need to be interconnected (either by the supplier, the purchaser or by a third party) to make the good operative and regardless of the complexity of the interconnection, CDEMA considers that such good is eligible for financing if the assembly of the components took place in a member country, regardless of the origin of the components. When the good is a set of several individual goods that are normally packaged and sold commercially as a single unit, the good is considered to originate in the country where the set was packaged and shipped to the purchaser. For purpose of origin, goods labelled “made in the European Union” shall be eligible without the need to identify the corresponding specific country of the European Union. The origin of materials, parts or
components of the goods or the nationality of the firm that produces, assembles, distributes or sells the goods, does not determine the origin of the goods.

  8.1 Any notice given by one party to the other pursuant to the Contract shall be in writing to the address specified in the SCC. The term “in writing” means communicated in written form with proof of receipt.
  8.2 A notice shall be effective when delivered or on the notice’s effective date, whichever is later.

  10.1 The Purchaser and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.
  10.2 If, after twenty-eight (28) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the Goods under the Contract. Arbitration proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.
  10.3 Notwithstanding any reference to arbitration herein, (a) the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and (b) the Purchaser shall pay the Supplier any monies due the Supplier.

11. Inspections and Audit by CDEMA
  11.1 The Supplier shall permit, and shall cause its Subcontractors and consultants to permit, CDEMA and/or persons appointed by CDEMA to inspect the Supplier’s offices and all accounts and records relating to the performance of the Contract and the submission of the bid, and to have such accounts and records audited by auditors appointed by CDEMA if requested by CDEMA. The Supplier’s and its Subcontractors and consultants’ attention is drawn to Clause 3 Prohibited Practices, which provides, inter alia, that acts intended to materially impede the exercise of CDEMA’s inspection and audit rights provided for under this Sub-Clause 11.1 constitute a prohibited practice subject to contract termination (as well as to a determination of ineligibility pursuant to CDEMA’s prevailing sanctions procedures).

16.1 The Contract Price, including any Advance Payments, if applicable, shall be paid as specified in the SCC.

16.2 The Supplier’s request for payment shall be made to the Purchaser in writing, accompanied by invoices describing, as appropriate, the Goods delivered and Related Services performed, and by the documents submitted pursuant to GCC Clause 13 and upon fulfillment of all other obligations stipulated in the Contract.

16.3 Payments shall be made promptly by the Purchaser, but in no case later than sixty (60) days after submission of an invoice or request for payment by the Supplier, and after the Purchaser has accepted it.

16.4 The currencies in which payments shall be made to the Supplier under this Contract shall be those in which the bid price is expressed.

16.5 In the event that the Purchaser fails to pay the Supplier any payment by its due date or within the period set forth in the SCC, the Purchaser shall pay to the Supplier interest on the amount of such delayed payment at the rate shown in the SCC, for the period of delay until payment has been made in full, whether before or after judgment or arbitrage award.

17. **Taxes and Duties**

17.1 For goods manufactured outside the Purchaser’s Country, the Supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the Purchaser’s Country.

17.2 For goods manufactured within the Purchaser’s country, the Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods to the Purchaser.

17.3 If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in the Purchaser’s Country, the Purchaser shall use its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent.
18. **Performance Security**

18.1 If required as specified in the SCC, the Supplier shall, within twenty-eight (28) days of the notification of contract award, provide a performance security for the performance of the Contract in the amount specified in the SCC.

18.2 The proceeds of the Performance Security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier’s failure to complete its obligations under the Contract.

18.3 As specified in the SCC, the Performance Security, if required, shall be denominated in the currency(ies) of the Contract, or in a freely convertible currency acceptable to the Purchaser; and shall be in one of the format stipulated by the Purchaser in the SCC, or in another format acceptable to the Purchaser.

18.4 The Performance Security shall be discharged by the Purchaser and returned to the Supplier not later than twenty-eight (28) days following the date of Completion of the Supplier’s performance obligations under the Contract, including any warranty obligations, unless specified otherwise in the SCC.

19. **Copyright**

19.1 The copyright in all drawings, documents, and other materials containing data and information furnished to the Purchaser by the Supplier herein shall remain vested in the Supplier, or, if they are furnished to the Purchaser directly or through the Supplier by any third party, including suppliers of materials, the copyright in such materials shall remain vested in such third party.

20. **Confidential Information**

20.1 The Purchaser and the Supplier shall keep confidential and shall not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of the Contract. Notwithstanding the above, the Supplier may furnish to its Subcontractor such documents, data, and other information it receives from the Purchaser to the extent required for the Subcontractor to perform its work under the Contract, in which event the Supplier shall obtain from such Subcontractor an undertaking of confidentiality similar to that imposed on the Supplier under GCC Clause 20.

20.2 The Purchaser shall not use such documents, data, and other information received from the Supplier for any purposes unrelated to the contract. Similarly, the Supplier shall not use such documents, data, and other information received from the Purchaser for any purpose other than the performance of the Contract.

20.3 The obligation of a party under GCC Sub-Clauses 20.1 and 20.2 above, however, shall not apply to information that:

(a) the Purchaser or Supplier need to share with CDEMA or other institutions participating in the financing of the Contract;

(b) now or hereafter enters the public domain through no fault of that party;

(c) can be proven to have been possessed by that party at the time of disclosure and which was not previously obtained, directly or indirectly, from the other party; or
(d) otherwise lawfully becomes available to that party from a third party that has no
obligation of confidentiality.

20.4 The above provisions of GCC Clause 20 shall not in any way modify any undertaking of
confidentiality given by either of the parties hereto prior to the date of the Contract in
respect of the Supply or any part thereof.

20.5 The provisions of GCC Clause 20 shall survive completion or termination, for whatever
reason, of the Contract.

21. Subcontracting

21.1 The Supplier shall notify the Purchaser in writing of all subcontracts awarded under the
Contract if not already specified in the bid. Such notification, in the original bid or later shall
not relieve the Supplier from any of its obligations, duties, responsibilities, or liability under
the Contract.

21.2 Subcontracts shall comply with the provisions of GCC Clauses 3 and 7.

22. Specifications and Standards

22.1 Technical Specifications and Drawings
(a) The Goods and Related Services supplied under this Contract shall conform to the
technical specifications and standards mentioned in Section VI, Schedule of
Requirements and, when no applicable standard is mentioned, the standard shall be
equivalent or superior to the official standards whose application is appropriate to the
Goods’ country of origin.

(b) The Supplier shall be entitled to disclaim responsibility for any design, data, drawing,
specification or other document, or any modification thereof provided or designed by
or on behalf of the Purchaser, by giving a notice of such disclaimer to the Purchaser.

(c) Wherever references are made in the Contract to codes and standards in accordance
with which it shall be executed, the edition or the revised version of such codes and
standards shall be those specified in the Schedule of Requirements. During Contract
execution, any changes in any such codes and standards shall be applied only after
approval by the Purchaser and shall be treated in accordance with GCC Clause 33.

23. Packing and Documents

23.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage
or deterioration during transit to their final destination, as indicated in the Contract. During
transit, the packing shall be sufficient to withstand, without limitation, rough handling and
exposure to extreme temperatures, salt and precipitation, and open storage. Packing case
size and weights shall take into consideration, where appropriate, the remoteness of the
goods’ final destination and the absence of heavy handling facilities at all points in transit.

23.2 The packing, marking, and documentation within and outside the packages shall comply
strictly with such special requirements as shall be expressly provided for in the Contract,
including additional requirements, if any, specified in the SCC, and in any other instructions
ordered by the Purchaser.

24. Insurance

24.1 Unless otherwise specified in the SCC, the Goods supplied under the Contract shall be fully
insured—in a freely convertible currency from an eligible country—against loss or damage
incidental to manufacture or acquisition, transportation, storage, and delivery, in accordance with the applicable Incoterms or in the manner specified in the SCC.

25. Transportation

25.1 Unless otherwise specified in the SCC, responsibility for arranging transportation of the Goods shall be in accordance with the specified Incoterms.

26. Inspections and Tests

26.1 The Supplier shall at its own expense and at no cost to the Purchaser carry out all such tests and/or inspections of the Goods and Related Services as are specified in the SCC.

26.2 The inspections and tests may be conducted on the premises of the Supplier or its Subcontractor, at point of delivery, and/or at the Goods’ final destination, or in another place in the Purchaser’s Country as specified in the SCC. Subject to GCC Sub-Clause 26.3, if conducted on the premises of the Supplier or its Subcontractor, all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Purchaser.

26.3 The Purchaser or its designated representative shall be entitled to attend the tests and/or inspections referred to in GCC Sub-Clause 26.2, provided that the Purchaser bear all of its own costs and expenses incurred in connection with such attendance including, but not limited to, all traveling and board and lodging expenses.

26.4 Whenever the Supplier is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Purchaser. The Supplier shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Purchaser or its designated representative to attend the test and/or inspection.

26.5 The Purchaser may require the Supplier to carry out any test and/or inspection not required by the Contract but deemed necessary to verify that the characteristics and performance of the Goods comply with the technical specifications codes and standards under the Contract, provided that the Supplier’s reasonable costs and expenses incurred in the carrying out of such test and/or inspection shall be added to the Contract Price. Further, if such test and/or inspection impede the progress of manufacturing and/or the Supplier’s performance of its other obligations under the Contract, due allowance will be made in respect of the Delivery Dates and Completion Dates and the other obligations so affected.

26.6 The Supplier shall provide the Purchaser with a report of the results of any such test and/or inspection.

26.7 The Purchaser may reject any Goods or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. The Supplier shall either rectify or replace such rejected Goods or parts thereof or make alterations necessary to meet the specifications at no cost to the Purchaser, and shall repeat the test and/or inspection, at no cost to the Purchaser, upon giving a notice pursuant to GCC Sub-Clause 26.4.

26.8 The Supplier agrees that neither the execution of a test and/or inspection of the Goods or any part thereof, nor the attendance by the Purchaser or its representative, nor the issue of any report pursuant to GCC Sub-Clause 26.6, shall release the Supplier from any warranties or other obligations under the Contract.
27. **Liquidated Damages**

27.1 Except as provided under GCC Clause 32, if the Supplier fails to deliver any or all of the Goods by the Date(s) of delivery or perform the Related Services within the period specified in the Contract, the Purchaser may without prejudice to all its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the SCC of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in those SCC. Once the maximum is reached, the Purchaser may terminate the Contract pursuant to GCC Clause 35.

28. **Warranty**

28.1 The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.

28.2 Subject to GCC Sub-Clause 22.1(b), the Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in the country of final destination.

28.3 Unless otherwise specified in the SCC, the warranty shall remain valid for twelve (12) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the SCC, or for eighteen (18) months after the date of shipment from the port or place of loading in the country of origin, whichever period concludes earlier.

28.4 The Purchaser shall give notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Purchaser shall afford all reasonable opportunity for the Supplier to inspect such defects.

28.5 Upon receipt of such notice, the Supplier shall, within the period specified in the SCC, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the Purchaser.

28.6 If having been notified, the Supplier fails to remedy the defect within the period specified in the SCC, the Purchaser may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier’s risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

29. **Patent Indemnity**

29.1 The Supplier shall, subject to the Purchaser’s compliance with GCC Sub-Clause 29.2, indemnify and hold harmless the Purchaser and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney’s fees and expenses, which the Purchaser may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of:

(a) the installation of the Goods by the Supplier or the use of the Goods in the country where the Site is located; and

(b) the sale in any country of the products produced by the Goods.
Such indemnity shall not cover any use of the Goods or any part thereof other than for the purpose indicated by or to be reasonably inferred from the Contract, neither any infringement resulting from the use of the Goods or any part thereof, or any products produced thereby in association or combination with any other equipment, plant, or materials not supplied by the Supplier, pursuant to the Contract.

29.2 If any proceedings are brought or any claim is made against the Purchaser arising out of the matters referred to in GCC Sub-Clause 29.1, the Purchaser shall promptly give the Supplier a notice thereof, and the Supplier may at its own expense and in the Purchaser’s name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim.

29.3 If the Supplier fails to notify the Purchaser within twenty-eight (28) days after receipt of such notice that it intends to conduct any such proceedings or claim, then the Purchaser shall be free to conduct the same on its own behalf.

29.4 The Purchaser shall, at the Supplier’s request, afford all available assistance to the Supplier in conducting such proceedings or claim, and shall be reimbursed by the Supplier for all reasonable expenses incurred in so doing.

29.5 The Purchaser shall indemnify and hold harmless the Supplier and its employees, officers, and Subcontractors from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney’s fees and expenses, which the Supplier may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract arising out of or in connection with any design, data, drawing, specification, or other documents or materials provided or designed by or on behalf of the Purchaser.

30. Limitation of Liability

30.1 Except in cases of criminal negligence or willful misconduct,

(a) the Supplier shall not be liable to the Purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Supplier to pay liquidated damages to the Purchaser and

(b) the aggregate liability of the Supplier to the Purchaser, whether under the Contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the supplier to indemnify the purchaser with respect to patent infringement.

31. Changes in Laws and Regulations

31.1 Unless otherwise specified in the Contract, if after the date of 28 days prior to date of Bid submission, any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in the place of the Purchaser’s country where the Site is located (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Date and/or the Contract Price, then such Delivery Date and/or Contract Price shall be correspondingly increased or decreased, to the extent that the Supplier has thereby been
affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited if the same has already been accounted for in the price adjustment provisions where applicable, in accordance with GCC Clause 15.

32. **Force Majeure**

32.1 The Supplier shall not be liable for forfeiture of its Performance Security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

32.2 For purposes of this Clause, “Force Majeure” means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

32.3 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

33. **Change Orders and Contract Amendments**

33.1 The Purchaser may at any time order the Supplier through notice in accordance GCC Clause 8, to make changes within the general scope of the Contract in any one or more of the following:

(a) drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;

(b) the method of shipment or packing;

(c) the place of delivery; and

(d) the Related Services to be provided by the Supplier.

33.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier’s performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery/Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this Clause must be asserted within twenty-eight (28) days from the date of the Supplier’s receipt of the Purchaser’s change order.

33.3 Prices to be charged by the Supplier for any Related Services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services.

33.4 Subject to the above, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.
34. **Extension of Time**

34.1 If at any time during performance of the Contract, the Supplier or its subcontractors should encounter conditions impeding timely delivery of the Goods or completion of Related Services pursuant to GCC Clause 13, the Supplier shall promptly notify the Purchaser in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Supplier’s notice, the Purchaser shall evaluate the situation and may at its discretion extend the Supplier’s time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract.

34.2 Except in case of Force Majeure, as provided under GCC Clause 32, a delay by the Supplier in the performance of its Delivery and Completion obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 26, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 34.1.

35. **Termination**

35.1 **Termination for Default**

(a) The Purchaser, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate the Contract in whole or in part:

(i) if the Supplier fails to deliver any or all of the Goods within the period specified in the Contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 34;

(ii) if the Supplier fails to perform any other obligation under the Contract; or

(iii) if the Supplier, in the judgment of the Purchaser has engaged in prohibited practices, as defined in GCC Clause 3, in competing for or in executing the Contract.

(b) In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 35.1(a), the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Related Services similar to those undelivered or not performed, and the Supplier shall be liable to the Purchaser for any additional costs for such similar Goods or Related Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.

35.2 **Termination for Insolvency**

(a) The Purchaser may at any time terminate the Contract by giving notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to the Purchaser.

35.3 **Termination for Convenience**

(a) The Purchaser, by notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser’s convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.

(b) The Goods that are complete and ready for shipment within twenty-eight (28) days after the Supplier’s receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:
(i) to have any portion completed and delivered at the Contract terms and prices; and/or
(ii) to cancel the remainder and pay to the Supplier an agreed amount for partially
completed Goods and Related Services and for materials and parts previously procured
by the Supplier.

36. Assignment
36.1 Neither the Purchaser nor the Supplier shall assign, in whole or in part, their obligations
under this Contract, except with prior written consent of the other party.

37. Export Restriction
37.1 Notwithstanding any obligation under the Contract to complete all export formalities, any
export restrictions attributable to the Purchaser, to the country of the Purchaser, or to the
use of the products/goods, systems or services to be supplied, which arise from trade
regulations from a country supplying those products/goods, systems or services, and which
substantially impede the Supplier from meeting its obligations under the Contract, shall
release the Supplier from the obligation to provide deliveries or services, always provided,
however, that the Supplier can demonstrate to the satisfaction of CDEMA and of the donor
that it has completed all formalities in a timely manner, including applying for permits,
authorizations and licenses necessary for the export of the products/goods, systems or
services under the terms of the Contract. Termination of the Contract on this basis shall be
for the Purchaser’s convenience pursuant to Sub-Clause 35.3.
Section IX. Special Conditions of Contract

The following Special Conditions of Contract (SCC) shall supplement and / or amend the General Conditions of Contract (GCC). Whenever there is a conflict, the provisions herein shall prevail over those in the GCC.

Attachment 1: Price Adjustment Formula

If in accordance with GCC 15.2, prices shall be adjustable, the following method shall be used to calculate the price adjustment:

15.2 Prices payable to the Supplier, as stated in the Contract, shall be subject to adjustment during performance of the Contract to reflect changes in the cost of labor and material components in accordance with the formula:

\[ P_1 = P_0 \left[ (a + bL_1 + cM_1) \right] - P_0 \]

\[ L_0 \quad M_0 \]

\[ a+b+c = 1 \]

in which:

- \( P_1 \) = adjustment amount payable to the Supplier.
- \( P_0 \) = Contract Price (base price).
- \( a \) = fixed element representing profits and overheads included in the Contract Price and generally in the range of five (5) to fifteen (15) percent.
- \( b \) = estimated percentage of labor component in the Contract Price.
- \( c \) = estimated percentage of material component in the Contract Price.
- \( L_0, L_1 \) = labor indices applicable to the appropriate industry in the country of origin on the base date and date for adjustment, respectively.
- \( M_0, M_1 \) = material indices for the major raw material on the base date and date for adjustment, respectively, in the country of origin.

The coefficients \( a, b, \) and \( c \) as specified by the Purchaser are as follows:

\( a = \) [insert value of coefficient]
\( b = \) [insert value of coefficient]
\( c = \) [insert value of coefficient]

The Bidder shall indicate the source of the indices and the base date indices in its bid.

Base date = thirty (30) days prior to the deadline for submission of the bids.

Date of adjustment = [insert number of weeks] weeks prior to date of shipment (representing the mid-point of the period of manufacture).

The above price adjustment formula shall be invoked by either party subject to the following further conditions:

(a) No price adjustment shall be allowed beyond the original delivery dates unless specifically stated in the extension letter. As a rule, no price adjustment shall be allowed for periods of delay for which the Supplier is entirely responsible. The Purchaser will, however, be entitled to any decrease in the prices of the Goods and Services subject to adjustment.

(b) If the currency in which the Contract Price \( P_0 \) is expressed is different from the currency of origin of the labor and material indices, a correction factor will be applied to avoid incorrect adjustments of the Contract Price. The correction factor shall correspond to the ratio of exchange rates between the two currencies on the base date and the date for adjustment as defined above.

(c) No price adjustment shall be payable on the portion of the Contract Price paid to the Supplier as advance payment.
Attachment 2: Prohibited Practices

Prohibited Practices

5. CDEMA requires that all firms, entities and individuals bidding for or participating in a donor-financed or CDEMA funded activity including, inter alia, applicants, bidders, suppliers, contractors, consultants, personnel, sub-contractors, sub-consultants, service providers and concessionaires (including their respective officers, employees and agents irrespective of whether the agency is express or implied), adhere to the highest ethical standards, and report to CDEMA all suspected acts of Prohibited Practices of which they have knowledge or become aware both, during the bidding process and throughout negotiation or execution of a contract.       b. acts intended to materially impede the exercise of CDEMA’s inspection and audit rights provided for under paragraph 1 (f) below.

(b) If, in accordance with the Sanctions Procedures of CDEMA, it is determined that at any stage of the procurement or implementation of a contract any firm, entity or individual bidding for or participating in a donor-financed activity including, inter alia, applicants, bidders, suppliers, contractors, consultants, personnel, sub-contractors, sub-consultants, goods or service providers, concessionaires, Borrowers (including grant Beneficiaries) Executing Agencies or Contracting Agencies (including their respective officers, employees and agents irrespective of whether the agency is express or implied) engaged in a Prohibited Practice CDEMA may:

(iv) declare that a firm, entity, or individual is ineligible, either permanently or for a stated period of time, to (i) be awarded a contract or participate in activities financed by CDEMA; and (ii) be nominated sub-consultant, sub-contractor, supplier or service provider of an otherwise eligible firm being awarded a CDEMA-financed contract;

(v) refer the matter to appropriate law enforcement authorities; and/or

(vi) impose other sanctions that it deems to be appropriate under the circumstances, including the imposition of fines representing reimbursement of CDEMA for costs associated with investigations and proceedings. Such other sanctions may be imposed in addition to or in lieu of the sanctions referred above.

(c) The provisions of sub-paragraphs 1 (b) (i) and (ii) shall also be applicable when such parties have been temporarily suspended from eligibility to be awarded additional contracts pending a final outcome of a sanction proceeding, or otherwise.

(d) The imposition of any action to be taken by CDEMA pursuant to the provisions referred to above will be public.

(e) In addition, any firm, entity or individual bidding for or participating in a CDEMA financed activity including, inter alia, applicants, bidders, suppliers, contractors, consultants, personnel, sub-contractors, sub-consultants, service providers, concessionaires, Borrowers (including grant Beneficiaries), Executing Agencies or Contracting Agencies (including their respective officers, employees, and agents, irrespective of whether the agency is express or implied) may be subject to sanctions pursuant to agreements that CDEMA may have with other International Financial Institutions (IFIs) regarding the mutual enforcement of debarment decisions. For purposes of this paragraph the term “sanction” shall mean any debarment, conditions on future contracting or any publicly-disclosed action taken in response to a violation of an IFI’s applicable framework for addressing allegations of Prohibited Practices.

(f) CDEMA requires that all applicants’ bidders, suppliers, and their agents, contractors, consultants, personnel, sub-contractors, service providers and concessionaires permit CDEMA to inspect any and all accounts, records and other documents relating to the submission of bids and contract performance as well as to have them audited by auditors appointed by CDEMA. Applicants, bidders, suppliers, and their agents, contractors, consultants, sub-contractors, sub-consultants, service providers and concessionaires shall fully assist CDEMA with its investigation. CDEMA also requires that all applicants, bidders, suppliers, and their agents, contractors, consultants, personnel, sub-contractors, sub-consultants, service providers and concessionaires: (i) maintain all documents and records related to CDEMA financed activities for seven (7) years after completion of the work contemplated in the relevant contract; and (ii) deliver any document necessary for the investigation of allegations of Prohibited Practices and make available employees or agents of the applicants, bidders, suppliers and their agents, contractors, consultants, personnel, sub-contractors, sub-consultants, service providers or concessionaires
with knowledge of CDEMA financed activities to respond to questions from CDEMA personnel or any properly designated investigator, agent, auditor or consultant relating to the investigation. If the applicant, bidder, supplier and its agent, contractor, consultant, personnel, sub-contractor, sub-consultant, service provider or concessionaire fails to cooperate and/or comply with CDEMA’s request, or otherwise obstructs the investigation, CDEMA, in its sole discretion, may take appropriate action against the applicant bidder, supplier and its agent, contractor, consultant, personnel, sub-contractor, service provider or concessionaire.

(g) If CDEMA procures goods or services, works or consulting services directly from a specialized agency, all provisions under Section VI regarding sanctions and Prohibited Practices shall apply in their entirety to applicants, bidders, suppliers and their agents, contractors, consultants, personnel, sub-contractors, sub-consultants, service providers, and concessionaires, (including their respective officers, employees, and agents, irrespective of whether the agency is express or implied), or to any other entities that signed contracts with such specialized agency to supply such goods, works, or non-consulting services in connection with CDEMA financed activities. CDEMA will retain the right to invoke remedies such as contract suspension or termination. Specialized agencies shall consult CDEMA’s list of firms and individuals suspended or debarred. In the event a specialized agency signs a contract or purchase order with a firm or an individual suspended or debarred by CDEMA, CDEMA will not finance the related expenditures and will apply other remedies as appropriate.

2. The Supplier represents and warrants:

   (a) that they have read and understood CDEMA’s definition of Prohibited Practices and the sanctions imposed in case Prohibited Practices take place and that they will comply with the rules applicable to those Practices and sanctions;

   (b) that they have not engaged in any Prohibited Practice as set forth herein;

   (c) that they have not misrepresented or concealed any material facts during the procurement or contract negotiation processes or during the performance of the contract;

   (d) that neither they nor their agents, personnel, sub-contractors, sub-consultants directors, officers or principal shareholders have been declared ineligible to be awarded a contract by CDEMA or by another International Financial Institution (IFI) with which CDEMA may have entered into an agreement for the mutual enforcement of sanctions or have been convicted of an offense involving a Prohibited Practice;
